February 19, 2019

8:00 am-11:30 am

Suicide in Older Adults: Risks, Myths and Intervention

Recent data from Center for Disease Control indicated that rates of suicide in United States are rising, this includes the senior population. This seminar will discuss factors associated with higher risk for suicide, common myths, and recommended interventions for addressing means, ideation, and intent.

Presenters:

- Kelly David, LCSW-C, MedStar Good Samaritan Hospital, Department of Psychiatry, Crisis Intervention Coordinator
- Sonja Stanton, RN,BSN, MedStar House Call Program, Triage Nurse
- Marina Nellius, LMSW, MedStar House Call Program, Community Social Worker

The Maryland Gerontological Association is an approved sponsor of the Maryland Board of Social Work Examiners for Continuing Education for licensed social workers in Maryland and maintains responsibility for this program. This forum has been approved for 3.0 hours of Category 1 CEU credits.
